NEWSLETTER

Term 3
Week 8
13 Sept 2018

PRINCIPAL'S DESK

We are rapidly approaching the end of term so it seems timely to offer a few reminders:

The school dance will be held on Wednesday 12 September from 7pm to 10pm. Tickets may be purchased up until the end of recess on Wednesday. I would encourage all those students eligible to attend as it is the farewell dance for our Yr12 students. Students attending must be signed in by an adult.

Year 12 Advanced English have an Aurora Study Day as part of their final preparation for the HSC.

This Friday marks the Term 3 Formal Assembly where we recognise the achievements of our students. Parents, friends and community members are invited to attend. Formal assemblies begin at 10am.

Year 11 exams begin next week. Parents of Year 11 students should fill out the Consent to Leave form attached to the exam timetable if they wish their child to be able to leave school grounds after each exam.

The 7-10 Parent Teacher interviews are being held in the school hall on Thursday September 20 from 4pm to 8pm. The parent portal is open for bookings until Wednesday 19 September if you have not already booked. We'd love to see you here for a chat.

Congratulations to all of the students who have made or are yet to play in grand finals in their weekend sports. Congratulations also go to our State Athletics competitors, especially Taj Shears for winning his high jump event!

Thank you to the junior students who navigated online selections and returned their signed permission notes. Year 10 into 11 subject selections and Year 8 into 9 elective choices have been made and we are currently in the process of determining which subjects be offered in 2019.

ANDREW THOMAS
Relieving Principal

CONGRATULATIONS to Taj Shears who became the new NSW State Champion in High jump ! So proud

NHS DEBATE TEAM

Last Wednesday four of our students competed in the NSW Premier Debate Challenge at Braidwood Central School. It was a new and exciting experience for Harrison, Olivia, Jack and Isabelle who are all from year 7. The team are not progressing on to the finals but had an amazing day and are excited to try again next year! Well done!

The Robo-Rebels will be conducting robotics camps for primary school students in the upcoming school holidays. Monday 1st October and Wednesday 3rd October from 10 - 12 am. Workshops are suitable for students from Years 4-6 and will be held at the school. Information on bookings will be available in future newsletters and on the school Facebook page.

This Thursday is RUOK day so we encourage students to participate, or wear yellow/gold clothes that day, that'd be great.

Smile. It could brighten a stranger's day.

RUOK?
A conversation could change a life.

Year 7 Science Sapphire have been studying forces. This activity required them to create a comic strip that demonstrated an example where friction can be either a help or a hindrance. The students were asked to identify an instance where friction is felt in our daily lives and present a solution to the issue.
